

Lots of beautiful updates have been done to this coach. New luxury vinyl plank flooring throughout. Updated faucets in the kitchen and bath as well as a new sliding shower sprayer. Many upholstery updates to lighten and brighten the coach. New LED sconce lights in the salon brighten everything up. Custom wool rug and pillows. Updated LED headlights not only look amazing, but allow for seeing so much more at night. New paint on skirt boards. Fresh service has been performed for both the coach and generator.
